PROFESSIONAL PHARMACEUTICAL

Professional Development Facilitator | Clinical Research, Pharmacovigilance | Profit & Revenue Optimization

Competent and result-driven Pharmacist with hands-on experience in pharmacy, retail and out-patient clinical services. Demonstrated leader in the practice of pharmacy who specializes in the direct patient care, education of staff and implementation of patient and Medical Service programmes. Expert in every branch of the medicine; proven ability to understand pharmaceutical manufacturing practice, medical chemistry, industrial pharmaceutical synthesis, and advanced pharmaceutical chemical analysis. Credited with building relationships and leveraging networks of local physicians to drive optimal pharmaceutical care. Valued member of medical teams with astute attention to detail, outstanding work ethic, and unwavering dedication to patient safety and optimal treatment outcomes. Highly skilled in mentoring and collaborating with all members of the care team to achieve business and patient objectives.

- Clinical Outcomes Measurement
- Inpatient & Outpatient Dispensing
- Drug Information Support
- Knowledge On Biostatistics
- Health Care Common Procedure
- Medical Referral Procedures
- New Business Development
- Experiment Planning
- Preclinical Research
- Long-Term Patient Care
- Retail Pharmacy
- Centric Patient Care

OTHER RELEVANT SKILLS

Communication:

- Publishing scientific papers in high-quality peer-reviewed journals.
- Articulate ideas in a competent and clear form either written either spoken production.

Research and Analysis:

- Identifying appropriate research questions and designing experiments to test hypotheses.
- Generating data through research and analysing using appropriate analytical packages.
- Gathering and assimilating information from published sources to write review documents.

Interpersonal skills:

- Collaborating with colleagues to develop and test research ideas.
- Supporting the development of team members through assisting with their professional training to ensure competence and personal safety.
- Organize and prioritize tasks efficiently.
- Group leadership, prioritization, and emotional control.
- Intercultural fluency.

Computer skills:

- Easily use mobiles and tablets to work in remote.
- Use Microsoft office skills competently and Microsoft excel statistic.

PROFESSIONAL EXPERIENCE

PHARMACY OF THE ROSARY, Italy

- Warehouseman 2002 - 2008

Director 2008 - Present

- Lead the direction and strategy for commercial opportunities across the company. Managing a team of 6 professional, engaging in the execution of a broad array of medical activities services, including medical information, clinical trials, budget tracking, editorial review, materials approval, and contracts.
- Achieve continuous advancement to position of greater responsibility and challenge due to strong performance and industry knowledge; position as a director for an independent pharmacy located within a health centre.
- Focus on achieving financial objective through assessing progress related with retail sales and prescription/services figures; ensure seamless operations through the delegating tasks to appropriate staff.

CHEMIST FREELANCE OFFICE DR. ANTONIO STEARDO 2016 - Present

Owner

- Successfully executed chemical analysis, industrial pharmaceutical synthesis, and pharmaceutical manufacturing, and medical chemistry, galenic and cosmetic advice.
- Technical Advisor at the court of Salerno n.60 on the 7th of November 2016.

PHARMACOLOGIST 2014 - Present

- Executed correctly: PK/PD profile realization, PK drug evaluation, pharmacovigilance research, phase 0,1,2,3 clinical research, biopharmaceutical development, basic biostatistics problems, preclinical research and clinical trial protocol realization.
- Led the research trials accurately collected data and adhered to lab protocol while maintaining tact and confidentiality.
- Clinical and diagnostic study appraisal.
- Statistic interpretation.
- Successfully building clinical study design and research methods.
- Clinical trial management expert.
- Restructured physician prescribing profiles, advised physicians of their outpatient pharmacy costs, recommended alternative efficacious therapies aimed at reducing financial risk.
- Utilised superior leadership abilities to motivate, teach, and handled psychological trainees, interns and residents.
- Trainee in the department of experimental medicine Ferrara university from November 2009 to December 2010.
- Virtual Internship from 7th September 2018- since 28 December 2018 20 hours a week Future medical Co., Ltd. like quality assurance.

EDUCATION

Master in Pharmacy, University of Salerno, (Mark 110/110)

Experimental thesis in Pharmacology: "Modulation of the Cannabinoid System on Neuro Inflammatory/ Neuro Degenerative Processes of the Alzheimer Disease. Study in vivo and in vitro."

Master of Science in Medical Pharmacology, University of Rome "La Sapienza", (Mark 70/70 and honour)

Thesis on: "Pharmacological Modulation on the Enteroglia like Innovative Strategy for the Treatment of the Inflammatory Bowel Disease"

Master in Chemical Pharmaceutical Technology, University of Salerno, (Mark 101/110)

Thesis in Pathology on "PEA Improve the Colon Inflammation by the Enteroglia Due to the Interaction with the Receptors Tool-Like-4 Dependent by the Activation PPAR-alfa."

Professional Qualification of Pharmacist, University Salerno, (Mark 261/300) **Professional Qualification of Chemists**, University of Salerno (Mark 120/200) **Oxford University Kellogg College** alumnus no.8-11130864
Oxford University Post-graduate Diploma in Health Research single module attendant

Language: Italian, native | Latin, proficient | Greek, antique proficient | English, B2 | French, A2 | Spanish, basic

CREDENTIALS

Naples registers of Pharmacists (number 7738), ITALY
Campania registers of Chemists and Physics (number 1879), ITALY
Member in Royal Pharmaceutical Society (number 9777853) since 2011
General Pharmaceutical Council (number 2078196) currently removed

Member in Royal Chemical Society (number 630570),
since 2016

Member in American Association for Advancement of
Science no. 41516474, since 2016

Member of the American Chemical Society no. 30920029 ,
since 2015
